

# Sustainable Living Rebate Information

Cedar Woods and Department of Communities believe that sustainable living should be accessible to everyone. The installation of sustainable living additions to your home has many benefits for yourself and the environment. Such items may help make substantial savings on your power and water bills, for example by offsetting your energy demand through the use of solar PV cells and minimising your mains water use through rainwater harvesting.

The Sustainable Living Rebate provides eligible Harrisdale Green residents with up to **\$5,200 (incl. GST)\*** in cash rebates for the installation of sustainable living additions to your home.

## Harrisdale Green residents can receive their Sustainable Living Rebate in 3 steps:

Install the item/s listed to the right at your property, using a supplier of your choice.

Fill out the Sustainable Living Rebate Application form available [here](#). Email your application and required supporting documents to [rebatesWA@cedarwoods.com.au](mailto:rebatesWA@cedarwoods.com.au).

Once approval has been confirmed by the Rebates WA team, payment of your rebates will be made via direct deposit to your nominated bank account.

The Sustainable Living Rebate is available for the following items:

**\$2,500**

1.5kW photovoltaic cells (solar panels)

**\$2,500**

Rainwater tank (approx. 3000 litres capacity minimum)

**\$200**

Gas boosted solar hot water system

\*Sales Contract Terms & Conditions apply

## Requirements for receiving your rebates

- Your home reaches practical completion within 24 months from your settlement date.
- Your home is completed in accordance with your approved building plans, the Design Guidelines and Restrictive Covenants.
- Eligible items listed above have been installed at your property in Harrisdale Green estate.
- Proof of purchase and supporting documentation is provided with your application (i.e. invoice and photos showing that the products have been installed at your property).
- You have made a written claim (via email to the Rebates WA team) within 3 years from your settlement date.
- If applying for the rainwater tank rebate:
  - The rainwater tank is of approximately 3000 litres capacity minimum and plumbed into the main toilet or laundry of your home.

## Additional information

- Residents may submit separate applications for eligible items if necessary. Applications may take up to 7 business days to be processed.
- If you are unsure whether you are eligible for the Sustainable Living Rebate, please send an email to [rebatesWA@cedarwoods.com.au](mailto:rebatesWA@cedarwoods.com.au) or call our office **(08) 9480 1500**.
